

# EID AL ADHA CELEBRATIONS 2024/1445 AH

As we honor the first ten days and nights of Dhul Hijjah, we are reminded of the profound lessons of separation, sacrifice, and divine guidance that history has taught us. From Prophet Musa's retreat to Mount Sinai, through Prophet Ibrahim's unwavering knife, to the awaited presence of the Living proof of Allah (swt) on the Earth - Imam Mahdi, peace be on him and may Allah (swt) hasten his reappearance.

Eid al-Adha rituals, especially the sacrificing of an animal, symbolize profound devotion and obedience, echoing Prophet Ibrahim's willingness to sacrifice his son as an ultimate act of faith in Allah (swt). As it is every year, the Eid of Sacrifice was celebrated at all 15 Bilal Muslim Mission of Kenya Centres and additionally at the 39 independent Centres to whom we extended support. Believers gathered to worship and receive special favors from their creator and nourisher.

Observances of the Day included Eid Prayers with inspiring sermons. We received generous support from donors which enabled the Qurbani of 1,157 goats and the distribution of meat at the centres and to neighboring families and orphanages.
