 @bilalkenya  @Bilal Kenya  Bilal Muslim Mission of Kenya

Bilal Muslim Mission of Kenya organizes the Feed A Child program daily throughout the term for preprimary and Madrassa going children in the 15 rural centres. The constant run of this program is made possible with the continuous support provided by the World Federation/AFED. Bilal Kenya was able to provide a total of 3,051 Kg of Bulrush Millet flour, 1,521Kg of Sugar and 1,521 Liters of Milk during August- September 2021.

NO. OF BENEFICIARIES FROM AUG-SEPT 2021
MADRASSAH 2520
PRE-PRIMARY 798
TOTAL 3318

With the run of this program children have had an improvement in the below;

- 1.Their daily attendance.
- 2.Promoting a healthy growth.
- 3.Active in class.
- 4.Evident progress in their academic performance.

BENEFICIARY COMMENTS

Parent's Name: Ishaq Mwarimbo

Child's Name: Ramadhani Mzaza

Age: 5yrs old **PP:** 2

Centre: Al-Baqir **Area:** Mwasafu

Family Background: Ramadhan stays with his parents and 2 siblings. His parents work hard to make ends meet for the family.

Student benefit: the program has added a nutritional value to the child's daily diet which has enabled him look much healthier.

Changes in student academic: there is a notable improvement in his overall performance.

Parent's Name: Clemence Akesho

Child's Name: Shalom Kinama

Age: 4yrs old **PP: 1**

Centre: Amani **Area:** Dembwa

Family Background: Shalom comes from a humble background and is the only child in the family.

Student benefit: she is relatively active in class and sport activities.

Changes in student academic: apart from her daily attendance Shalom has been achieving good scores in her exams.

Parent's Name: Mwanamkasi Ali

Child's Name: Abdalla Joram

Age: 4yrs old **PP: 1**

Centre: Ahlul Bayt **Area:** Shimoni

Family Background: Mwanamkasi is a single parent. She is very hardworking and participates in all centre activities and events.

Mwanamkasi is unemployed and earns a living by selling charcoal.

Student benefit: it is unlikely for Abdalla to have breakfast before coming to school. He therefore looks forward to going to school due to the feeding program.

Changes in student academic: Abdalla is more participative in class as compared to before. He has enough energy which keeps him active throughout the day.

(1. Kids playing on the field during break time. 2. A class session kids being taught. 3. Kids enjoying a cup of porridge.)

The Mission appreciates the support it has received from WFED/AFED in the past and looks forward to your continued support in all our activities. We pray through the Wasila of the AhlulBayt (as) that the Almighty provide you with good health, long life and Tawfiq so that you can continue to serve in His way. Ameen.

Thanking you, With Salaams and Duas.
