

QUARTERLY UPDATES NEWS LETTER

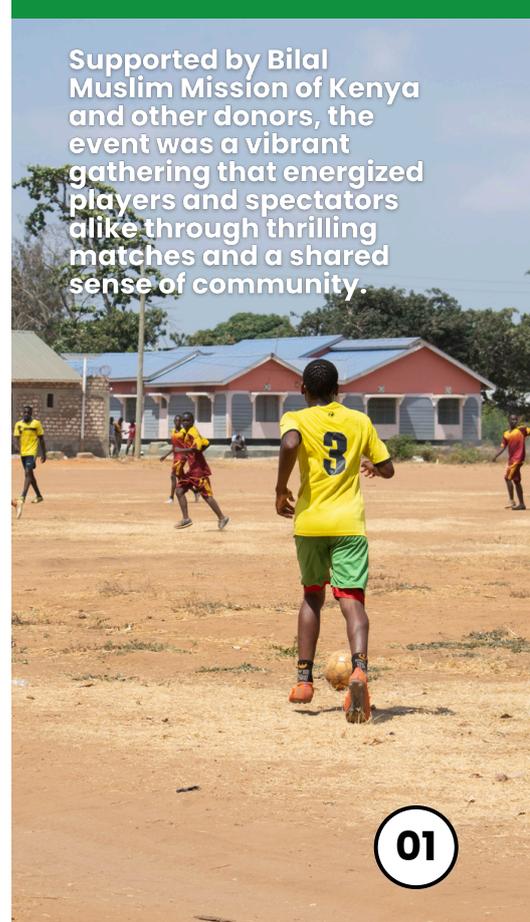

Pedagogy training for muballighs

A pilot program on Pedagogy training was offered to all muballighs at Al-Mahdi Centre in Samburu, Al-Hujjah Centre in Chengoni and Jaffery Centre at Mackinnon Road and nearby independent centres between October and December 2024. This comprised on-site refresher and training programs on modern teaching methodologies in madrasa. Based on the evaluation results, the program will be expanded to include all Bilal and Bilal-supported independent centres in the new year

Milad-Un-Nabi Super Cup

The Milad-un-Nabi Super Cup, organized by the Al-Qaim Community Organization on 13th October in Mombasa, brought together 16 youth teams in a dynamic celebration of sportsmanship and unity. Among the participants were students from Bilal Kenya's Ar-Ridha Educational Complex in Mtongwe, showcasing their talent and determination.

Supported by Bilal Muslim Mission of Kenya and other donors, the event was a vibrant gathering that energized players and spectators alike through thrilling matches and a shared sense of community.

Bountiful Harvests Across Our Centres

November marked a milestone for Ar-Rahma Centre in Kilungu as it celebrated its first mango harvest, complemented by a successful banana yield. Other centres also reaped the rewards of their agricultural efforts, with thriving papaya trees in Chengoni, bananas in Bahakanda and abundant maize and bananas in Masongoleni.

Mwasafu Centre joined the success with flourishing papaya trees, reflecting the dedication to sustainable farming across our communities.

Wiladat of Lady Zaynab

The blessed occasion of the Wiladat of Lady Zaynab was celebrated with great enthusiasm across Bilal Centres and affiliated institutions in the month of December. Majalis, seminars, classes and short programs for children, ladies and whole communities were held, ensuring the occasion was widely commemorated.

Lady Fatema (as) & Zaynab (as) Day

A vibrant and spirited event was held in December at the Bilal Hall in Mombasa, celebrating the lives of Lady Fatima and Lady Zaynab as well as honoring the Imam of our time. The festivities included a play, quizzes and a notable highlight:

a short lecture delivered from memory by a very young girl named Husna. Her poignant words about Imam Mahdi (atfs) captivated the audience, as she skillfully cited verses from the Holy Qur'an to affirm his role as the Hujjah of Allah (S).

Launch of computer class

On 30th November 2024, a computer class, was inaugurated at Al Mahdi Centre in Burani. Pursuant to a basic course in IT literacy, selected students will be trained on computer coding on the Python Programming Platform. The launch event was attended by our CEO, Mr. Murtaza Jaffer, along with donor representatives, parents, teachers and centre management. Currently, 23 students are enrolled in this new educational facility.

Registration for Qur'an Tafsir competition

Throughout November and December, members at all our centres were encouraged to register for a competition to be held in January on the detailed tafsir of Suratul Yasin, based on the work of the respected late Sheikh Abdillahi Nassir. Participation includes the elderly, women, youth, and madrasa students. The aim is to enhance understanding and appreciation of this significant text.

Madaris Examinations

End-of-year examinations were conducted across all our madaris in December. These exams assess student progress and understanding across various subjects, serving as a key part of our academic program. Preparations involved extensive review sessions, helping students consolidate their learning as they prepare to advance to the next level in the coming year.

Clean water and sanitation

In December 2024, three crucial projects were started – digging a borehole in Masalani, Tana River, construction of a ghusl Khana in Bungoma and construction of toilets in Vihiga Western Kenya. All these will be completed early in 2025, ready to serve the respective communities.
